## IMPORTANT UPDATE OF MHA EVENTS AND AWARDS

### Registration Begins For Annual Meeting For Full Voting Members

The annual meeting is scheduled for:  
- Monday - April 10th to Sunday - April 16th.

Cost to remain the same at **\$425/ person**. This includes: lodging, meals, workshops, seminars, auction and pizza party. It does not included the HMED class: "Basics and Theory of Masonry Heaters".

**Registration begins** Dec.3rd, 2016 for full voting members only. After Jan. 15th affiliate members may begin registering. Remember, the last 2 years have been a complete sellout and members that waited were not able to attend.

#### **Workshops to be presented:**

Wood fired Bake Oven by Pat Manley and MartyPearson  
Squirrel tail oven by Eric Moshier and Chris Springer  
Advanced masonry heater by Matt Helicke  
Beginner heater by Dave Willcox. and Worm Thomen  
Legal rocket mass heater by Lasse Holmes and David Moore.  
Masonry skills by Derek Kowalchuk  
J Loop Masonry Heater for testing by the Technical Committee  
Multifunctional mason heater with a free standing option for cooking & baking by Axel Schmitz  
SketchUp Clinic by Boris Kukolj

The education committee is still working on workshops and seminars. More descriptions and seminars to be added. Stay Tuned but don't wait.

Registration can be done by phoning the MHA office with credit card information, OR, use the registration form on the homepage of the MHA website.

#### **REGISTRATION FORM**

Use the link below to register for the 2017 Annual Meeting. It permits you to pay using a credit card through PayPal. Or you can register using this form and send a check to the office

[2017 MHA Annual Meeting Registration Form](#)

#### **IMPORTANT**

**Your registration is not complete until payment is received by the MHA office. MHA does not "hold" reservation without payment.**

## Jerry Frisch - The Newest Platinum Member of MHA

The board of directors voted unanimously to award Jerry a Platinum membership. Jerry was a founding member and a driving force behind MHA. His personality and leadership helped MHA become the professional association it is today.

Congratulations Jerry.

## MHA Still Needs Volunteers

MHA still needs a couple more members to volunteer to build a masonry heater and bake oven at the World of Concrete in Las Vegas, Jan. 16 - 20th.

Flights and lodging are inexpensive, the Expo is fantastic. Admission is free and volunteers have a great time.

If you don't belong to a committee or serve MHA in another area, this is your opportunity to help the association. Contact the MHA office for more information.

## Design Contest Begins

Once again the MHA Design Contest will be held during the 2017 annual meeting. It is not necessary for you to attend and still be in the design contest. Send your application to the MHA before April 1st and I'll enter it for you. "You need not attend to win".

Showcase your great work in three categories:

- Masonry Heaters
- Bake Ovens
- Masonry Construction

Below is the link with more information about rules and entry form.
