

“David Moore's support and volunteer efforts on behalf of MHA stretch all the way back to the 1990's. He has a background in teaching masonry, and is a highly skilled mason and designer. For many years now, he has been one of the main behind the scenes organizers who make sure that our hands on workshops run so smoothly. Every April, he has loaded up his truck with tools and equipment and made the journey from Maryland to Wildacres. All of us owe a great debt of thanks to Dave for his tremendous contributions, over many years, to MHA's success.”
